To: The Honorable U.S. District Judge Stephen R. Bough

I do not have adequate access to law library, legal materials here at the prison in KS SHU. Once a 1/4 is about the most I'm allowed to use in law library. Every 3-4 months.

May I suggest I be moved to a location with better access to law and legal materials? CCA Cimarron has excellent law library on Android tablets. This is in Cushing Oklahoma. I was there back in March or April while in transit to FMC Lexington. This is a good detention facility with legal books and tablets.

OR I could suggest bringing me to your courthouse every weekday until I get this PSR report finished. This also would be a good option. Matter of fact I believe my black suit and dress and shoes are still there with the USMS, they keep telling me to come get them. This would also work well.

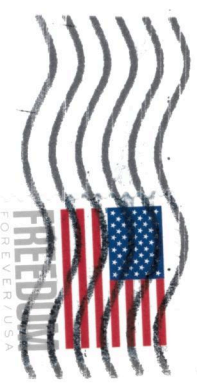

Also Mr Amanda Kendal the legal gal here at USP here Leavenworth would like to discuss my urinary, bladder control issues with you, I know so because she screamed this at me as well as Mrs Walker. I think they have medical, doctors, or nursing clinics and can help me to fix my "frequent urination" and difficulty emptying my bladder. There is a Dr Clark and PRN Krock here you can speak with, or my Doctor outside Nathan Granger or Dr Clay Platte Family Medicine can send you my records from my urologist (that's a specialist in urindology - peeing) I can send release of records request if you like, Thank you.
